## President's Letter

### WCGE TAKES THE PROFIT OUT OF GOLD

After researching a large variety of organizations offering cash for scrap gold, we discovered that huge profits were being made at the expense of naivety. The nationally advertised CASH4GOLD mail-in program, offers about 30% of spot value to the sender. Several "road shows" offered 20-25% of spot value for scrap gold.

Our question was; what would happen if we eliminated the profits and allowed Christian ministries to benefit? Out of that thinking evolved the concept of redeeming gold for the "highest possible" spot value and giving a donation receipt for the remaining value. Thus, the donor receives 100% of spot through cash and donation value.

Four things are accomplished. 1) people participating are getting needed cash; 2) people participating get top value for their scrap gold; 3) Christian ministries who sponsor us are benefiting and 4) AEA is raising sorely needed support.

Instead of strangers taking 70-80% of the profit from the Lord's people, the ministry is benefiting, and people are receiving more cash than they thought possible. Who can ask for anything more than donating and getting cash.

Shortly, we will be initiating the Mail-in Program so anyone can participate if they have one of our Mail-in Scrap Gold Kits.

How can we assist you in helping to raise your funding? We have a vehicle to help, now let's match the vehicle with your need and let the Kingdom profit.

E. John Reinhold

### WORTHY CAUSE GOLD EXCHANGE MOVING TO CHRISTIAN FM

Soon you may be hearing about WCGE on your local FM Christian Station. Many Christian FM stations will be using a variation of WCGE to raise funds for their stations.

Supporters will be asking for mailing packs to enable them to mail in scrap gold to WCGE. The supporters will be sent 40% of the spot value of the scrap and given a donation receipt for the remaining value of 60%. The donated 60% will be taken to market with the proceeds divided between the station and AEA.

## FUNDRAISER SMASHING SUCCESS

How many fundraisers have you been to where you are paid cash to participate and still make a contribution? None. It's impossible, right? Wrong. **Worthy Cause Gold Exchange**, a fundraising division of American Evangelistic Association, is proving to be a smashing success for churches and Christian Ministries by giving donors cash.

Over \$30,000 in cash and gross receipts were issued at the last fundraiser for a relatively small congregation at a Messianic Synagogue.

The sponsoring organization (worthy cause) gets the word out to their constituency that scrap gold, silver and platinum can be redeemed for top dollar. Supporters and friends bring their scrap precious metals to the sponsor's building where WCGE catalogs them, tests them for purity (karats) and weight. The supporter is given cash on the barrelhead for 40% of the "spot" value and a donation receipt for the remaining 60% value. "Spot" is the highest worldwide quote that fluctuates every day and is set by the demand and supply of the metal as the product is bought and sold.

**Case History:** Mildred brought an old high school class ring, a fraternal ring, two broken gold chains, a bracelet, four single earrings, a tie bar and a set of cuff links, three pieces of dental gold, three broken necklace chains and a gold charm. After testing for gold purity (class ring and dental gold was 10k and all the rest 14k) and weighing each, it was determined that the total value was \$2,200.00. Mildred was given a check for \$880.00 and she was given a donation receipt for \$1,320.00 for the remaining 60% of value. This is a fully deductible contribution on her income tax.

AEA included Mildred's scrap gold with dozens of others and worked direct with a refiner to get 98% of the spot value. From those proceeds, AEA replaced the money given to Mildred and the other supporters, leaving the net amount to be divided between the church (70%) and AEA (30%).

The 60% or \$1,320.00 donation Mildred contributed was divided with 70% going to Mildred's church and 30% shared with AEA.

If Mildred had taken her scrap gold to a "road show" she would have received about \$450.00. She would have received less at a pawn shop. At the so called "gold shows" in your homes, the greatest value she would have received is \$700.00.

The total value to Mildred, depending on her tax bracket, will total about 70-75% of the spot price of her scrap gold.

Supporters who bring gems and jewelry with gem settings are given contribution receipts for the entire retail value of the item(s). What they gain as an income tax deduction usually far exceeds what they would have received if they tried to sell the items.

The comments often heard from supporters are; *"I never realized how much I would take home"*; *"this is much more than I was offered by a local jeweler"*; *"had I known that this was how much I was going to get, I would have told friends about it"*.

The biggest challenge AEA is having is scheduling sponsors. It is obvious more people will have to be trained.

Kudos and many thanks to AEA's Pastor Kerry Fink, President of TYG Media, for managing the shows, and to all the volunteers and contract gemologists for making the WCGE the huge success that it is becoming. To inquire about scheduling your organization, call Kerry Fink at AEA's home office.

## EMERGENCY EXIT FROM ORISSA

By Pastor K.C. Gilchrist, MDiv, MBA  
Director of AEA's English Language Academy

March 18, 2009

Greetings in Christ,

I am now in Raipur, and have just returned from Kandhamal, Orissa, where Christians are being persecuted. We were there for 3 days meeting with people, encouraging and praying with them. The people are insecure and vulnerable to any kind of violence. There is not enough security now and anything can happen.

We had to leave immediately from Kandhamal, after being told the news that the Tribal Leader of that area had been murdered. It was feared that the death of that leader could cause violence to break out in that region. We were advised to leave that area out of concern for our safety. We traveled 10 hours in the night, and reached home safely. We were accompanied by the Red Cross team.

I could feel the fearful situation faced by our Christian brothers and sisters. They are living in constant fear and insecurity. Many houses have been burnt and people have nothing in their hand to survive. They are just hoping for relief from Mission agencies, and the government. This affects more than 50 thousand people and it will take a long time for rehabilitation. The authorities still suspect that such incidents may happen again, because it is election time in this country.

## KERRY FINK NAMED AS C.O.O.

AEA President announced that Kerry Fink will be taking over the duties of Chief of Operations

for the Association. Kerry is an ordained minister with AEA and member of the Board of Directors.

Kerry, who graduated from Georgia Tech and completed his MBA at Georgia State University, has been associated with the communications industry throughout his career - from building, managing and consulting Radio Stations throughout the U.S. and Europe, to developing the popular Music of Your Life Radio Network worldwide. Kerry's Florida-based company, TYG Media LLC, serves as a state-of-the-art Christian Multi-Media production house and is involved in all facets of media - from Television to Internet to Radio, including development of the rapidly growing Christian FM Contemporary Christian Music Radio Network.

Pastor Fink will assume the duties of Dr. Reinhold in his absence and direct the efforts of Worthy Cause Gold Exchange.

# NEGATIVE THOUGHTS & EMOTIONS MAKE US SICK...

By Deanne Day

- Everytime you feel unforgiveness, you are more likely to develop a health problem...*Everett Worthington, Executive Director of "A Campaign For Forgiveness Research", a psychological research group.*

We were created for love and relationship as outlined in the two commandments Jesus left us (Matthew 22:37-40). In our relationships with God, within and with others, God wants us to experience peace, which is the absence of unresolved conflict.

## Proverbs 14:30

*A calm and undisturbed mind and heart are the life and health of the body, but envy, jealousy, and wrath are like rottenness of the bones.*

Unresolved conflicts in our relationships with God, within or with others can erode our peace, and set us up for "dis-ease." Have you ever gotten upset with yourself or someone only to find yourself not feeling well both emotionally and physically?

Conflict in relationships can break our hearts. If we do not have our identity in God's unconditional love **and** don't quickly forgive, we lose our peace. It is not long

before "dis-ease" (a lack of cellular peace) appears. We can have headaches, trouble sleeping, digestion and elimination problems, depression, and many other symptoms that lead us to seek medical care that does not eliminate the cause of "why" we are physically ill and emotionally tormented.

Matthew 18:34 is clear that when we do not forgive, we are thrown over to the tormentors who steal our peace. If we forgive others like we have been forgiven, we can take back our peace. One of the believer's inherited blessings in the Kingdom of God is peace. Resting in our Heavenly Dad's love and care as His adored sons and daughters is the only true place of lasting peace in a world gone mad!

Many people have never heard their earthly father's say, "**I love you!**" It is very difficult for them to trust and believe Heavenly Dad could be any different.

There are many brokenhearted people including Christians who have yet to truly forgive from their hearts because they are still looking to imperfect people, accomplishments and things to give them significance. Our love, approval, significance and identity come from the heart of a Father Who was willing to give up His only Son to die for our sins so that we could be adopted by a Father Who **perfectly** loves us and gives us peace.

If we are still thinking and speaking about offenses, then

we have not truly forgiven from our heart. We will be tormented spirit, soul and body.

I thought I had forgiven people who had abused me emotionally, verbally, physically, financially, sexually and even spiritually, but I was still keeping a record of wrongs done to me. I would go to the elders for prayer and the anointing with oil, but I only grew sicker and sicker.

After many years of being too sick to minister, collecting SSDI benefits, and having a full time caregiver, the doctors said I was dying. I had seen everything from cancer to bee stings healed, so I knew it wasn't unbelief or a lack of faith that was keeping me sick. The only other possible explanation I could come up with was that God was angry with me. I didn't have my identity as Heavenly Dad's adored daughter even though I was a minister and had gone to Bible College.

## 3 John 2

*Beloved*

*I wish above all things that you may prosper and be in health, even as your soul prospers.*

I began an in-depth study of medical and psychological research that **supports scriptural truths** as they relate to spirit, soul, and body.

Many scriptures confirm the research in fear stress physiology and provided answers that led to my healing from environmental illness, multiple chemical sensitivities, chronic fatigue syndrome, asthma, fibromyalgia, depression, insomnia, seizures, panic attacks, rheumatoid arthritis, irritable

bowel syndrome, allergies, post traumatic stress disorder, migraines, systemic candida, and adrenal gland failure.

I no longer have these diagnoses. I have peace and joy. I take no medications! Today I **know** God is **not** angry with me, and I'm **not** upset with myself or anyone on the planet...**I'm at peace in a world gone mad!!!**

I have been working with brokenhearted believers for 22 years. Jesus said it would be impossible for offenses not to come. One of the reasons He died was for our healing. Complete and lasting healing cannot come when we are in relational conflict and experience emotions long term like shame, guilt, fear, self-hatred, anger and bitterness.

People receive phone ministry from all over the US and Australia to learn more about how negative thoughts and emotions make them sick. I have learned first hand the power of forgiveness and repentance (changing the way I think about God, myself and others, my past, present and future) as the only way for the body and soul to prosper.

Jesus has healed phone ministry recipients of: Fibromyalgia, Alzheimer's Disease, Obsessive-Compulsive Disorder, Asthma, Allergies, Insomnia, Psoriasis, High Blood Pressure, Neck & Back Pain, Depression, Heart Arrhythmias & Fibrillations, Migraines, Hypoglycemia, MS, Myasthenia Gravis, Bi-Polar, Schizophrenia and others!

Deanne Day has been ministering comprehensive gospel healing and wholeness since 1987. She has a strong medical background, working in conjunction with medical doctors who understand the mind-body connection.

She ministers through Restoring Hearts, Inc. and is a team member of Restoring Hearts Ministries, Inc. ([www.restoringhearts.net](http://www.restoringhearts.net)). Deanne has a compassionate heart for the wounded soldier in the body of Christ. Her passion is to see people healed and find their divine destiny in the end time harvest of souls. Deanne ministers gospel healing and wholeness at conferences, through books, music, and phone ministry. She is a contributing editor and author for other minister's publications. She holds a B.S.O.E. degree from a Christian University, and is ordained by AEA. Deanne resides in Kailua-Kona, Hawaii, and can be contacted through her website.

**ALAN GREENE**  
**LifeLight Communications, Inc.**

Founder/President

In 1998, LifeLight founders Alan and Vicki Greene took their family on a mission trip to Juarez, Mexico. The Greene's were amazed by the things they saw God do. Witnessing how boldly the Christians on that trip were able to tell the Mexican people about the Gospel of Jesus Christ inspired them to wonder why the gospel couldn't be spread as boldly in their own community.

From this passion to spread the gospel, LifeLight began. Alan Greene is committed to reaching people with the good news of the saving grace of Jesus Christ. Our goal is to work with churches, businesses and other ministries to bring Christian encouragement and entertainment to our communities that can change people's lives.

When Alan speaks, it's from his heart and his call is to reach the lost. Alan is available to speak to your church or organization about the ministries of LifeLight, and to share the Gospel of Christ.
